

# Curriculum Vitae

ZUO Chaoyuan

**Email Address:** chzuo@cs.stonybrook.edu

**Research Interests:** Machine learning; Natural Language Processing

## Education

**08/2016 – now**

PhD Candidate

**Department of Computer Science, Stony Brook University, US**

Major: Computer Science

GPA: 3.95/4.0

**09/2012 – 07/2016**

Bachelor of Engineering

**School of Information and Electronics, Beijing Institute of Technology, China**

Joint-cultivated by Institute of Electronics, Chinese Academy of Sciences

Major: Information Engineering

GPA: 88.5/100, 3.73/4

Major GPA: 90.3/100, 3.8 /4.0

**01/2016 – 06/2016**

Graduation Project

**Polytechnic University of Madrid, Spain**

Major: Telematics Engineering

## Techniques & Skills

### Computer Skills

C++, C, Python, Java, Matlab

## Research Experience

**06/2017 – Now**

### PhD Research

**Adviser:** Prof. Ritwik Banerjee

Main Project: Information Extraction

**01/2016 – 06/2016**

Polytechnic University of Madrid, Spain

### Graduation Project

**Adviser:** Prof. José-Fernán Martínez

Main Project: Perception for Networked Robot Systems

**07/2015 – 09/2015**

Center for Speech and Language Technologies, Tsinghua University

### Intern

**Adviser:** Prof. Dong Wang

Main Project: Deep learning method application on NLP

## Publication

Chaoyuan Zuo, Ayla

Karakas, Ritwik Banerjee

*A Hybrid Recognition System for Check-worthy Claims Using Heuristics and Supervised Learning*

**In Working Notes of CLEF 2018 – Conference and Labs of the Evaluation Forum**

*Benefit and Cost of Cross Sliding Window Scheduling for Low Latency 5G Turbo Decoding*

**2015 IEEE/CIC International Conference on Communications in China**

## Honor & Awards

**07/2016**

**Outstanding Graduate**

**Beijing Institute of Technology**

**04/2015**

**National**

**Meritorious Winner**

**Mathematical Contest In Modeling, COMAP**

**09/2014**

**National**

**2<sup>nd</sup> Prize**

**China Undergraduate Mathematical Contest in Modeling**
